

## AN INVITATION

We hope you will be able to join us when we exhibit our extensive range of surge protection products on **Stand B73** at the forthcoming Railtex 2013 11th International Exhibition of Railway Equipment Systems & Services on:-

**Tuesday 30th April - Thursday 2nd May 2013, Earls Court 2, Warwick Road, London, SW5 9TA**

Railtex exhibitions are held biennially and have successfully served this market for nearly 20 years. The show remains the one essential showcase for products and services in this exciting but highly competitive market.

Railtex is the all encompassing showcase for technological innovation across all sectors of the rail supply market. Against a backdrop of continuing investment in rail and significant ongoing projects, Railtex provides a timely opportunity for companies serving the rail market to highlight their capabilities and showcase their products and services.

Based in South Brent, Devon, we design and manufacturer an extensive range of Transient Voltage Surge Suppression (TVSS) / Surge Protective Devices (SPD's) and Electrical Surge Protection Components and Modules. We supply products and custom solutions to protect against damage from lightning and transient over-voltages and serve a broad range of markets including, Buildings & Construction, Rail Transport, Electrical Generators & Networks, Telecom & Data Networks, Office & Home systems. We supply direct or through reputable Electrical Retailers, Stockists & Distributors, offering a custom designed product service, full consultation and an on-site survey.

With our growing range of railway & tram products we feel that Railtex 2013, the UK's leading rail event covering railway equipment, systems and services is a great opportunity to showcase them. Railtex is the industry's meeting place - where visitors and exhibitors alike see the latest technology in action, learn about new products/services and meet fellow industry professionals.

### Railtex Exhibition Opening Times:-

Tuesday 30th April: **10am-5pm**  
Wednesday 1st May: **10am-5pm**  
Thursday 2nd May: **10am-4pm**
